IPE LATTICE

OPTION DESCRIPTION: Our pre-assembled Ipe wood Trellis utilizes an overlapping dodo joint with a brass pin detail at intersections. Trellis legs extend through the depth of the container and are mechanically fastened to internal brackets. Our Project Managers are on hand to advise you on the best options for your project.

Please note that this option is compatible with other functional options such as irrigation sleeves, drainage fittings, casters, and adjustable feet. To determine which containers are compatible with the Trellis option, look for this icon in our catalog and specification sheets.

LEED® POINTS:

- 1) Material Content
- 2) Indoor Environmental Quality - Manufacturing
- 3) Indoor Environmental Quality - Low VOCs
- 4) Material Reuse
- 5) Proximity

Final points achieved will vary according to materials and destination.
