4005 VESSEL

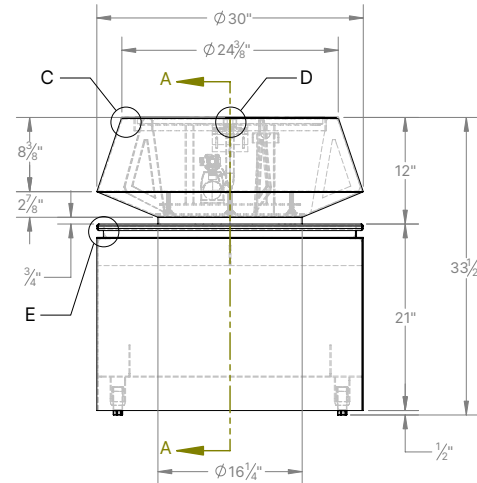

The Vessel is simultaneously bold, geometric, and refined. A cube serves as a podium for a tapered bowl that gently fills and flows over ultimate black granite top for a tranquil effect. Interchangeable powder coat option available for tapered bowl (top) and base (bottom). Formed of steel or aluminum, our WATER FEATURES are shaped, welded, and packaged exclusively at Ore's independent manufacturing facility in Salt Lake City, Utah. For more information, please contact your Ore Project Manager.

PRODUCT SPECS: 115 lbs. Aluminum DIMENSION: 30"L x 30"W x 33 1/2"H, TAPERED BOWL: 24"Ø

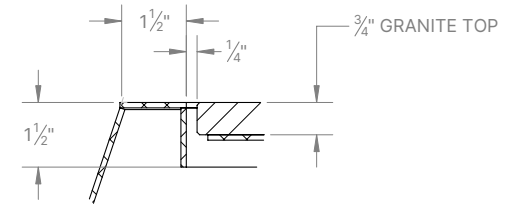

ADDITIONAL OPTIONS: LED Bubbler, Auto Fill, Adjustable Feet
